Ditchingham Men's Shed - Official Opening

We are delighted to finally announce the official opening of our forever home.

Located at The Otter Trust in Earsham on the Old Harleston Rd, NR35 2AF please come and find us.

We want to take this opportunity to thank our supporters; without you we would not be here today.

Due to COVID it has taken us over two years to reach this point, but the outcome is tremendous and I take my hat-off to many of the Sheddors whose skills and effort need to be applauded.

Julie Reinger [BBC Weather Presenter] has kindly offered to "cut the ribbon" on 24th September when we will be open from 11am until 3pm. Tea and Cakes will be available.

Please come along and help us spread the word to the community.
